Dear P.1 Parents/Guardians,

**Parental talk on P.1 transitioning & parenting skills**  
**Organised by Li Cheng Uk Government Primary School**

Children who first start their primary schooling will invariably be awed yet excited when facing a new environment, an unfamiliar social setting and different teaching approaches. Therefore, parents are recommended to collaborate with the school to help them attain a smooth transition to their new life. To ensure a smooth transition, a workshop will be arranged. **P.1 parents are welcome to attend.** Details of the workshop are as follows:
