Dear Parents,

Introduction Meetings for the “School-based After School Care Service Pilot Scheme”

To response to a one-year “School-based After School Care Service Pilot Scheme (the Pilot Scheme)” that is jointly implemented by the Education Bureau (EDB) and the Social Welfare Department (SWD), the school has collaborated with the Baptist Oi Kwan Social Service to jointly organize the Pilot Scheme in order to provide assistance to families in need (**especially single-parent families**) so that students will have the opportunity to stay in school after regular classes to receive supervised care and academic support, and parents will be able to choose employment opportunities to improve their quality of life.

To ensure that you are well-informed about the application requirements, we have organized two introduction meetings on 13th September. During the meetings, we will distribute application forms for the Pilot Scheme and provide guidance on the necessary details to be filled in. Please note that due to limited capacity, each family can only have one parent in attendance (including families with more than one child studying in the same school). The details of the introduction meetings are as follows:
